Commercial Contracting (Demand Level)

http://www.dcmc.hq.dla.mil/dcmc_o/cbo/finance/compay.htm

Commercial Contracting (Demand Level)

- **Commercial Contracting**
  - FAR requires contracting officers to use Part 12 to purchase all commercial items, except micro purchases
  - Commercial items are those of a type customarily used for non-governmental purposes, and sold, leased, or licensed to the general public (includes modifications)
  - Commercial items also include new items and those offered for sale but never sold to the public

Commercial Contracting (Demand Level)

- **DCMC Engineering Role**
  - No or minimum oversight
    - Dependent on what the PCO requests
  - Participate in Early CAS efforts
  - Provide past performance information, as required
  - Participate in post award orientations
  - Ensure proper flow-down of requirements to subs
  - Ensure delivery of technical data
  - Validate proper application of restrictive markings
